

ALOA Scholarship Foundation, Inc.

Purpose

The ALOA Scholarship Foundation (ASF) is an independent, educational, non-profit 501(c) (3), Tax-exempt Corporation established in 1993 to:

- Encourage and provide for educational services, programs and materials concerning locksmithing and security devices and procedures.
- Develop scholarship and assistance programs for persons interested in pursuing a career in the security and locksmithing field.
- Solicit funds necessary to implement the purposes of the Foundation.
- Perform and do any and all such other acts as are necessary, convenient and proper for the attainment of these objectives.

What are the Scholarships for?

The ALOA Scholarship Foundation can be an important source for educational funding. We support all locksmith efforts to seek education via technical training and business management from all educational providers. Scholarships are not limited to ALOA educational programs. While ALOA does have an impressive history in locksmith training and testing, *the independent ALOA Scholarship Foundation encourages locksmiths to apply for funding for any of the following industry related training:*

- A full ALOA convention package which includes: four or five full-day classes and lab fees with lunch, two evening seminars, two half-day classes and two days of exhibits
- A full SAFETECH convention package which includes: four full-day classes and lab fees with lunch, one day of exhibits and a Kick-Off party ticket
- All courses offered at the **Aaron M. Fish Security Training Center** and ALOA Certified Education classes, presentations and seminars offered at regional conventions and other facilities
- Industry-related education via technical training and business management programs offered by other institutions that meet the educational criteria of the ASF board

Limited travel and lodging to the above events may be awarded depending on individual need and funds available.
